

# 4-H Pin Order Form

Order due date **March 15, 2013**

As the State 4-H Office notified you of last year, they are no longer coordinating the annual pin orders, All Action Awards will be handling that from now on. Because we have been providing you with the pins for many years now, the look of the pins will not change.

The cost of the year pins is estimated for now. Once we have the completed order there is a possibility that the cost will be lower, it just depends on the number of pins ordered. No need to send payment with the orders, we will invoice when we ship out the pins.

Please let me know if you have any questions. Like I mentioned, we have been making and shipping the pins to you for many years so the only thing that is changing is where you turn the orders in to, this will be a smooth transition!

## Yearly Achievement Pins:

The yearly achievement pin (also known as the completion or participation pin) recognizes members for successful completion of 4-H work. Pins are given to youth members who complete their 4-H work in the 4-H Youth Development Program. Each 4-H Club may determine what constitutes "completion" with approval from the county office.
