Housing

SLC has exclusive use of the dorms we are assigned. There are no other groups in our dorms. There may be other groups sharing the dining facility.

If your child tells you they are unhappy with their room assignments, please encourage them to give the arrangement a try for at least one night. If something is happening that is a violation of the 4-H Code of Conduct, please encourage your child to go directly to their Program Assistant (PA). The conference staff worked very hard to pair youth together to offer them the opportunity to meet new people and make new friends. We also tried to honor roommate requests whenever possible. If you child continues to feel that they want a room change, please ask them to advise their PA.
