

University of California

Agriculture and Natural Resources ■ 4-H Youth Development Program

Overview:

Thank you so much for registering for the 2016 4-H Mindfulness Retreat. As an adult, you have the option of registering as a participant (see description below) or applying to register as a Chaperone. Your willingness to serve in these roles is vital to the success of the conference. We appreciate you and recognize the commitment this takes.

Adult Participant Description:

- In general, Adult participants should participate fully in all activities and events of the conference.
- Each adult is expected to assist and/or provide correction for any and all youth if the situation is such that the member or another person is in immediate danger of harm—either physically or emotionally. If the situation is not immediately harmful and does need discussion, please refer to a registered Chaperone.

Adult Chaperone Description:

Please see http://4h.ucanr.edu/4-H_Events/Chaperone_Information/ for details on being an Adult Chaperone.
