The [California 4-H Management Board](#) is proud to announce the California 4-H Youth Summits! Youth summits are three day weekend leadership conferences hosted in multiple locations throughout the state. All California 4-H Youth Summits are open to any 4-H youth member enrolled in California 4-H.

The 2018 Southern Youth Summit participants are ages 11-19. In future years, we plan to gear the summit for intermediate 4-H'ers aged 11-13, planned by a team of senior 4-H members aged 14-19.

### Chaperone Information

Adult volunteers are key to making this a safe and memorable activity. Having dedicated adult chaperones who commit themselves to the safety and well-being of the youth participants during the entire trip (24 hours a day!) is a HUGE commitment. Thank you for considering serving in this capacity. You must be at least 21 years of age and an approved adult 4-H volunteer. We need both male and female chaperones! Chaperones pay the early bird registration fees and must provide all required forms.
