### Education Workshops

Workshop selection will take place during the youth summit.

### Chaperone Information

Adult volunteers are key to making this a safe and memorable activity. Having dedicated adult chaperones who commit themselves to the safety and well-being of the youth participants during the entire trip (24 hours a day!) is a HUGE commitment. Thank you for considering serving in this capacity. You must be at least 21 years of age and an approved adult 4-H volunteer. We need both male and female chaperones! Please contact your county program representative to find out how you can become a chaperone for your county.
