Frequently Asked Questions:

What if my child doesn't like their room assignment?

If your child tells you they are unhappy with their room assignments, please encourage them to give the arrangement a try for at least one night. The conference staff worked very hard to pair youth together to offer them the opportunity to meet new people and make new friends. We also tried to honor roommate requests whenever possible. If your child continues to feel that they want a room change, please ask them to advise their PA.

Who do I call if there is an emergency?

If you have an emergency call one of the Conference Directors:

- Jenna Colburn 209-327-4250
- Cole Breck 805-588-6793

For non-urgent matters, please email jcolburn@ucanr.edu

What if my child contacts me and is upset about something that has happened or is happening at the conference?

1. If something is happening that is a violation of the 4-H Code of Conduct, please encourage your child to go directly to their Program Assistant (PA). You can also call your child's assigned PA. The contact information should have been emailed to the email of record on your SLC registration. ****Before your child leaves for conference, make sure you have their PA's cell phone number. If for some reason you have not received this number, please email Kelsey Arbuckle (PA Coordinator) kelseyannearbuckle@yahoo.com to request this number.**
2. If you are unable to reach their PA in a reasonable amount of time, you can call one of our Deans:
