

# Facilitator Reflection Tool

This reflection tool is designed to guide facilitators in collecting information following the implementation of each activity. In the space below document what happened, why it happened, and what's next for each of the four H's. Bring this to your next Lesson Study group meeting; this information will help in planning the next implementation.

FACILITATOR	WHAT HAPPENED?		WHY?	WHAT NEXT?
	 What worked well?	 What needs improvement?	What contributed to what happened  and/or  ?	What could I do next time?
 <b>Head</b>  Content goals for youth (e.g., knowledge, competence).				
 <b>Heart</b>  Intrapersonal goals for youth (e.g., self-esteem, confidence, empathy, character, interest, attitudes, persistence).
