The National 4-H Conference is the Secretary of Agriculture's *premier* youth development opportunity to engage youth in developing recommendations for the 4-H Youth Development Program.

The National 4-H Conference is a working conference in which youth and adults--at the invitation of the Secretary of Agriculture--assist in the development of recommendations to help guide 4-H Youth Development Programs nationally and in their communities. This event brings together youth, volunteer leaders, and state and county Extension staff members from across the United States, the U.S. Territories, and the Canadian Provinces.

As the sponsor for this conference, the National 4-H Headquarters--located within Families, 4-H, and Nutrition at the U.S. Department of Agriculture's (USDA's) Cooperative Research, Education and Extension Service (CSREES)--is charged with sharing the recommendations that emerge from the conference with the Secretary of Agriculture, national Extension Program Leaders, and others who determine 4-H programs. At the same time, we want to ensure that the conference is a meaningful experience for the youth and adult participants.

Purpose of California's Delegation to the National 4-H Conference

1. Allow California youth and adults to contribute to national level 4-H programming.
2. Assist California 4-H Youth Development in strengthening youth-adult partnerships and involving youth, volunteers, and staff in 4-H decision-making.
