

SFR Schedule

The morning begins with check-in at Olson Hall from 7-8:30 AM, orientation at 8:30, followed by evaluation and other activities until approximately 11:45. Participants and family members are invited to attend Workshops, Make it - Take it sessions, the Photo booth, and service activities. Visit the Silent Auction room where donations and purchases help the SFR committee with event expenses. After the lunch break, SFR delegates assemble at Wellman hall for the outdoor fashion show on the Quad, followed by awards. Participation in the SFR fashion show is a required element of the event. See the SFR website for the schedule.

State Presentation Day & Other Field Day Events

Members entering SFR may be dual-entered in State Presentation Day except for Share the Fun. The presentations are given in Olson Hall during the member's morning SFR workshop time. There are many additional activities in other buildings and outside during State Field Day. SFR delegates may take part in these during the SFR lunch break which is approximately noon to 1 PM.

Evaluators Needed

Counties are required to provide one adult evaluator per every five SFR entries. Also needed are presentation evaluators for Olson Hall to accommodate members dual registered in State Fashion Revue and State Presentation Day. SFR Evaluators should be familiar with the fashion revue event, the category scorecards and the State Fashion Revue Guide for Evaluators. Each SFR evaluation room also needs a volunteer adult Room Monitor. See the SFR website for details and the link to register.

California 4-H
State Fashion Revue
June 1, 2019
At UC Davis

SFR is open to:

The 4-H Fashion Revue County winner in Junior, Intermediate, and Senior age divisions in the 5 categories listed inside. One delegate per county in each category and age group may enter SFR. Registration is online only. The entry deadline is 5 pm on May 15, 2019. Counties may offer additional categories and age groups but these entries do not advance to State Fashion Revue.

SFR is:

Planned and hosted by a state-wide committee of youth members and adult volunteer leaders as part of State Field Day, under the direction of the California State 4-H Office. The 2019 Youth Co-chairs are Jessica McCauley of Contra Costa County and Abby Milanese of Monterey County. For complete details about State Fashion Revue, see the SFR page on the California 4-H website at http://4h.ucanr.edu/4-H_Events/SFD/SFR/

2019 STATE FASHION REVUE CATEGORIES

Traditional

This category features a garment/garments the participant has constructed, showcasing sewing skills and the ability to coordinate an outfit. The entry must be sewn by the member as part of the 4-H Clothing and Textiles project and worn by the member.

Consumer Science Purchased \$40 limit

Participants shop for an entire outfit with the total cost not to exceed \$40, including shoes but not sales tax. Receipts from the current 4-H year are required for all items that are visible. Gifts, prior purchases, and items without receipts are not eligible. Receipts from yard sales, etc. may be hand written. The member considers value vs. cost, versatility, the shopping experience, and coordination of the outfit within the cost limit. There is no 4-H project requirement; any 4-H member may enter this category.

The Box Challenge: Red, white & blue

Participants in this challenge sew one or more garments that contain 3 predominant colors – red, white, and blue. In addition, choose from the list of elements that are in your box. Junior members must include at least one in their sewn garment(s); Intermediate members must include at least two; and Senior members must include at least three. The garment(s) must be sewn by the member as part of the Clothing & Textiles/Sewing project. See the SFR website for contents of the Box.

Make It Mine Challenge

Alter a commercial pattern or make your own pattern to achieve the fit and style you desire in a garment of your choice. Either begin with a fashion design drawing or a written description of what you want to make. Then find a commercial pattern or patterns, or draw your own pattern to create a wearable garment. If using a commercial pattern, submit the pattern number and envelope front. Tell which part you used and how you modified the pattern to fit or to create the look you wanted. If you draw your own pattern, tell how you made it and figured out the instructions to create your garment(s). There is no 4-H project requirement; any 4-H member may enter this category.

Retro/Historical Challenge

Create an outfit that is inspired by or looks like an old design using new fabric and notions. The design should be from before the year 2000. The entry must state the year or period of the design and include a drawing, photo, or description of the classic design that is being reproduced or duplicated. Add accessories to complete the outfit that are reminiscent of that time period. The outfit must feature at least one handmade garment made by the member. Other pieces of the outfit must be representational and recognizable as belonging to the same era as the hand made garment. The garment(s) in this challenge must be sewn by the member as part of the Clothing & Textiles/Sewing Project.

For All Entries

See the SFR website for complete rules. All outfits must meet the 4-H Dress Guidelines at <http://4h.ucanr.edu/files/210170.pdf>. For State Fashion Revue, all shorts, skirts, dresses, etc. must be at least fingertip length due to the fashion show raised stage. All outfits entered in SFR must be suitable for comfortably walking, sitting, and going up and down stairs because of the SFR schedule and location. County Fashion Revue coordinators will review all outfits based on these guidelines before SFR entry, with further review by the SFR Committee if needed. There is no fee to enter State Fashion Revue. For entry in County Fashion Revue, contact your local county 4-H Office.

SFR SERVICE PROJECTS

SFR is coordinating two service projects for 2019 - **No Sew Pet Play Toys** for animal shelters that can quickly and easily be made at home and at project and club meetings. Give a fun gift to a cat or dog awaiting adoption by using your old T-shirts and fabric scraps. The second project, **Fidget Mats for Alzheimer's Patients**, uses sewing skills and is more difficult but will make a larger impact. The mats can be made by individuals, groups, or at a county service project event. Utilize many sewing skills to create lap-sized mats with zippers, trim, various textured fabrics, pockets, buttons, or other items to provide activity for the restless hands of Alzheimer's patients. Complete instructions for both projects, with illustrations, are on the SFR website.
